Principal: Good afternoon, everyone. Let's start, we have a lot to cover and I know you want to leave by 4:30. First thing, the PTM. You all got circular 041 last week saying PTM is on 21st November. That has to change. The district sports meet has been fixed for 21st and our ground is the venue, so we can't have parents coming in that day.

Mrs. Latha S (Academic Coordinator): So which date, ma'am?

Principal: The PTM is now on **Saturday, 28th November**. Same time, 9 to 12:30. I'll send a corrigendum, but please note it down now. So everything linked to the PTM moves by one week. Report card checking by 25th November instead of 18th, and the PTM slots to parents by 23rd November instead of 16th.

Mr. Rajesh V: Ma'am, for Class 12 parents the 28th is good, it's just before the pre-boards. They will ask about the pre-board portions.

Principal: Tell them it is the full syllabus. It's in circular 043.

Principal: Second, question papers. Senthil sir has a problem with printing because the printer contract is changing.

Mr. Senthil Kumar (Exam Cell): Yes. For the Class 11 unit test the circular says 18th November, but I need those papers earlier. Please submit by **Thursday, 12th November**. Paper, answer key and blueprint, all three. Pre-board papers stay at 30th November. And please, please check the blueprint. Last time six papers came back because the chapter marks didn't match.

Mrs. Kavitha R: Sir, can we send it by email or only a printed copy?

Mr. Senthil Kumar: Email in Word format to the exam cell ID, and one printed copy signed by the HOD.

Principal: Third, remedial classes. Latha ma'am will run this.

Mrs. Latha S: From the half-yearly results, any student below 40% in any subject goes to remedial. Classes will be on **Tuesdays and Thursdays, 3:30 to 4:15 pm, starting Tuesday, 10th November**. So I need your lists by 6th November like the circular says, roll number and subject. Class teachers, please also inform the parents through the app and get the consent slip back by **9th November**.

Mr. Joseph A: What about transport for those children?

Mrs. Latha S: The 4:30 bus will run on Tuesdays and Thursdays. I've spoken to the transport office.

Principal: Fourth, attendance. This is serious for Class 12. CBSE needs 75% to sit the board exam. Some classes have not sent the shortage letters for September. Class teachers, the October letters must go out by **Monday, 2nd November** for every child below 75%. Record it in the register. I'll check the registers on 6th. Class 12 class teachers, please also meet those parents personally at the PTM.

Mrs. Kavitha R: Ma'am, a few parents of 12B are asking if children can skip school in January for JEE preparation.

Principal: No. Practicals and Pre-Board 2 are in January, and coaching is not approved leave. It's in the handbook. Please reply to them politely and point to the rule.

Principal: Fifth, Annual Day on **Saturday, 12th December**. Class 11 group dance practice starts **Monday, 16th November**, Monday, Wednesday and Friday, 2:45 to 3:30. Class 11 class teachers, Karthik sir and Meena ma'am, collect consent forms by **Friday, 13th November**. Class 12 will not perform because of the pre-boards. Kavitha ma'am, please give me two names from 12B for compering, by 13th November.

Mr. Karthik B: Ma'am, practice will clash with the Class 11 unit tests?

Principal: No practice from 1st to 7th December. Practice restarts on 8th December. Dress rehearsal on **Thursday, 10th December**, full day.

Mrs. Kavitha R: Ma'am, on 10th December we also have to show the Class 11 unit test answer scripts.

Principal: Good point. Show the scripts on 8th or 9th then. Make a note.

Principal: One more thing. Science department, the inter-school science exhibition is on **19th December** at the Chennai Science Centre. It's optional and it's for Class 11 only, Class 12 has pre-boards. If you want to send a team, give the names to me by **30th November**.

Mrs. Kavitha R: I can take a team from 11A, ma'am. I'll confirm.

Principal: Thank you. That's all. Please don't forget the PTM date change. Thank you everyone.
